## WHOSE BODY IS THIS?

There are two phases of experience in answering this question. The first phase is when Christ comes into us individually. We become bought with a price and our individual bodies now belong to Jesus. We must consider them as temples for God to dwell in. The second phase is when God fitly frames us together in the spirit to become members of Christ's Spiritual Body.

We can be IN that Body, and yet not be OF it. -We can also be OF it, and not yet IN it.
