Blessed Are The Peacemakers. For They Shall Be Called The Children of God. Matthew 5:9

Israel Tour 2016

Editor's Note: The story of Israel began with a man called Abram, whose name was changed by God after he obeyed the voice of God and left his homeland in Ur of the Chaldees.:

“And the Lord said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father’s house, unto a land that I will shew thee. and I will make of thee a great nation, and it will bless thee, and make thy name great; and thou shalt be a blessing; And I will bless them that bless thee, and curse him that curseth thee; and in thee shall all families of the earth be blessed”

The following articles were given to me by various members of the 2016 Israel Tour and they give expression to the reason that we continue to encourage people to visit Israel, not only finding scriptures to interest their vision but human experiences that have caused the Jewish people from around the world to see the need of building toward a Jewish nation fulfilling many, many scriptures in both the Old and New Testament.

THE TESTIMONY OF BROTHER AND SISTER GARY ANTILLA, BELTON, MISSOURI

Gary and I feel so blessed that we were able to be a part of the group that went to Israel this year. It was a lifelong desire and dream to walk the streets where Jesus walked. It was so amazing to see actual historic places and just to feel the special Presence while enjoying the lights. We saw the Mount of the Beatitudes, where Jesus fed the thousands. It was so beautiful. I really felt the Presence of the Lord there. The Garden Tomb was a highlight for us both. Hezekiah’s tunnel was quite an experience! Our tour included so many sights and Yoni was our guide. He was a great tour guide. We saw the place where Stephen was stoned, the Western Wall, Solomon’s southern wall of the Temple, Mount of Olives, the Hill in Gadarenes where the possessed man was set free. The trip took us to the Sea of Galilee – Matthew 8:28-32. We went in a boat over the Sea of Galilee. It was just awesome! Jesus spent quite a bit of time there with His disciples.

Ein Gedi – where Saul was asleep in a cave and David cut off part of his robe. It was gorgeous there, waterfalls, we saw Masada, another amazing historical spot. We floated in the Dead Sea. We went through Tel Dan preserves. It was beautiful, lush greenery and a streaming flow. It was a fabulous trip and I highly encourage going if you ever get the opportunity. Be prepared for needing good shoes and endurance. Don’t think there’s any level walking ground; climbing up and down.

We also saw the Pool of Bethesda, the Pool of Siloam where Jesus healed the blind man. There were so many sights including the City of David, King David’s Tomb which is just below the Upper Room where the Holy Ghost fell. It was just a beautiful time!

Continued on Page 2

ISRAEL TOUR.....*Continued from Page 1***SISTER LUELLA ROBINSON'S REPORT**

This tour was my seventh trip to Israel. My first visit to Israel was in 1963.

I love going to Israel; it is the land of the Bible where Jesus lived. Our guide gave us many scriptures about Israel's restoration in the Bible. We visited many of those places and enjoyed learning more about each place. In visiting these things, I was enlightened to learn not only where they are located in Israel but what the Lord did at that time and how he blessed the people of Israel allowing them to see God the Father work among them.

It was a very good trip and we all enjoyed spending time together throughout the land.

SISTER AMBER RATLIFF'S REPORT

Israel is always full of surprises. It's like having a baby. No one can describe it to you until you experience it. If you ever think God is bankrupt, then just go there. You'll find people who sacrifice everything they know and give to His people. People who work two or three jobs save up to give back to Israel. They come in all languages, kindreds and tongues. We would look at many of them, yet they are giving everything they know to give. You come away ashamed, yet renewed to give your all, however you can. There is always something that enlightens or changes you.

This year was no different. I met the sweetest sister. She has given three months of her life to give Bibles to those who can't get them in other countries. I won't say where, to protect their work. Yet, they labored many hours, days, weeks and months to get them there. She was still ministering to others in Jerusalem, giving back to whomever she could, letting her light shine.

I always enjoy watching others experience and soak in the wonders of this land, His Presence, His people. It's awe-inspiring, yet sheer exhaustion at the same time. Walking where He walked, spoke and taught His people. There are always many emotions that come with it. There are so many that you can't begin to express them.

This year, we brought our 15-year-old, Autumn. I think I most enjoyed watching her with her Daddy in the Garden Tomb, where he was healed as an 11-year-old boy.

I always get another piece of the Bible puzzle when I go. This trip was an even deeper meaning to what they were doing to our Savoir when they put the vinegar to His mouth. In Roman times, the servants took these smooth hyssop leaves, dipped them in vinegar, then wiped their master's backside. It was way more degrading than just vinegar! He was fulfilling the scripture in Psalms 69:20. John was the only one to

make sure it was written in detail. Oh, how thankful I am that He gave His life for my sins. Thank you for giving me this opportunity to walk where you did. Until next time, Leila tov (Goodnight).

REPORT BY BRO. JIM AND SIS. ANN RIGGINS

Our first trip to Jerusalem, Israel was in September, 1986. Brother and Sister Orville Wallace were our tour-guides and hosts at the church apartment. We attended the Celebration at the Feast of Tabernacles by the Christian Embassy in Jerusalem. We visited a siccah or booth, where the Jewish people reside during the Feast of Tabernacles. We stayed 3 weeks and toured the land of Israel, attended services at the apartment on Saturday nights and visited other non-denominational churches on Sundays.

In 1998, we moved from Phoenix, Arizona to Armourdale in Kansas City, at 934 Scott Avenue. We asked how we could help. Send us? 1999 - we were sent to Israel and connected with Brother and Sister Burns in the Spring of the year, to learn the ways of Jewish life there. We were such novices at this and needed a time of teaching. It was provided to us. Brother Jim learned the routes and drove us at one time to the caves and then Poria Elite in Tiberias, where Brother Moshe Ben Shmuel's home was. We stayed the night and had a wonderful visit with old friends.

In 2000, we met Eli and Etti Yifrach, a Jewish couple in Jerusalem who became good friends to us. They invited us to a Passover Seder at their sister's home in Ma-ale Adumim a new suburb just outside of Jerusalem. A 7-course meal was served us, one course at a time, with a rest between each course. It was outstanding and they made us feel as though we were a part of their family. Eli and his son, O-phere, hosted and talked us through each and every course. Such lessons we learned. Another time at Passover, we attended a 5-course meal downtown at Brother Richard Tate's church and it was an excellent learning lesson also. That was in 2007, I believe.

The last year, we went to Jerusalem, Israel, traveling in the Springtime. 2004, Saddam Hussein kicked up a fuss and because of his dictatorship and threats to Israel....all of us in Jerusalem were required to rent gas masks, learn how to use them and to have one sealed room in our homes. Brother Jim sealed off a bedroom at the church apartment for us. Jewish Civil Defense members came to 5 David Alroi, and talked with each of us concerning the safety of living in Jerusalem. It was very reassuring. In 2005, we stayed beyond our regular duty of 3 months as Pastor Logan Henson needed us there another 3 months that year... 6 months in Jerusalem. What a privilege that was, and we felt very honored to do so.

Continued on Page 4

WHY WE SHOULD VISIT JERUSALEM AND ISRAEL

SIS. AVIALEE BURNS
Celebrating her 90th
birthday. The beautiful
cake in front of her was
made by Sister Amy
Parker.

By Sister Avialee Burns

BIBLICAL REASONS:

Howbeit I will not rend away all of the kingdom: but will give one tribe to thy son; for David, my servant's sake and for Jerusalem's sake which I have chosen. I Kings 11:33
But I have chosen Jerusalem that my name might be there, and have chosen David to be over my people. II Chron 6:6

For Zion's sake will I not hold my peace and for Jerusalem's sake I will not rest, until the

righteousness thereof go forth as brightness and the salvation as a lamp that burneth. Isaiah 62:1

At that time they shall call Jerusalem the throne of the Lord and all nations shall be gathered unto the Name of the Lord, to Jerusalem neither shall they walk anymore after the imagination of their evil heart. Jeremiah 3:17

For the law shall go forth of Zion and the Word of the Lord from Jerusalem. Micah 4:2b

I think these scriptures prove God's love for Israel and His Abiding Presence in Jerusalem. Why shouldn't I at least check it out if I love Him and His Word? If it is that important to Him, shouldn't it be also to me?

POINT #2:

His only begotten Son was born near there and He shed His life's blood for the redemption of our souls, and the covering of our sins. Great miracles He performed on the rugged streets of Jerusalem! Nothing makes these as real as actually being there and walking those streets!

I have been there 23 times. The first time was in 1962. Jerusalem was a divided city then, to Jordan rule. After spending 2 days in Beirut (Lebanon, the playground of the Middle East before wars almost destroyed it.) In a prop plane that I didn't think would lift us out of the basin over the Mediterranean Sea, but quickly we landed in a busy airport in Jerusalem, Jordan. After the June, 1967 War, Jerusalem was liberated and no longer divided. The planes land in the new Ben Gurion Airport, near Tel Aviv.

Skimming over the blue waters of the Mediterranean Sea, you see crops and trees and houses!! Since the rebirth of Israel, they have built, clearing the swamplands by the Galilee and made the place "to blossom as a rose," and the branches to "shoot forth" as the scriptures promised.

"The wilderness and solitary place shall be glad for them; and the desert shall rejoice and blossom like a rose."

Isaiah 35:1

"But ye, O mountains of Israel, ye shall shoot forth your branches, and yield your fruit to my people of Israel: for they are at hand to come."

Ezekiel 36:8

This is a far cry from what Mark Twain, (Samuel Clemens, Beloved author of the childhood favorites, Tom Sawyer and Huckleberry Finn. His report and observation after going to Jerusalem in the early 1900's was. Who would want to go to this "God-forsaken country!"

Nothing makes all this real to your heart as when your feet walk on these Holy Sites! The whole of Israel is filled with happening and miracles and you can experience the thrill of where He has been. The Garden of Gethsemane and Calvary where He gave His life, the Garden Tomb where He lay for 3 days and nights. His resurrection was ominous, raised from grave-yard dead! How "spooked" His followers must have felt at times, but as they followed Him out to the Mount of Olives, watched Him ascend into the heavens, with a promise from the angels, that "He would come back as He went away." Acts 1:11. And you can actually see that very mount. The Eastern Gate is there in the Old City Walls which HE WILL COME THROUGH. Ezekiel 44:3.

"And I John saw the holy city, new Jerusalem, coming down from God out of heaven, adorned as a bride for her husband."

Revelation 21:2

O.K.... SO, WHERE IS THIS NEW JERUSALEM, COMING DOWN OUT OF HEAVEN FROM GOD?

Where is it coming down to? To rest on the White House in D.C.? We took His 10 commandments off of our federal buildings! We legalized murder, calling it abortion. We OK'd sodomy. I ask you, Would New Jerusalem be comfortable there? Sit on Berlin? Moscow? Rome? Mecca?

P.S. It was thrilling to see at this year's Presidential Inauguration of President Donald Trump, that the six men who prayed and/or spoke used the name of God and/or Jesus for each prayer.

"The wicked shall be turned into hell, and all the nations that forget God."

Psalms 9:17

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways: then will I hear from heaven, and will forgive their sins and will heal their land."

II Chronicles 7:14

You didn't ask for my opinion but my heart tells me, it is coming to Jerusalem, **Where His Name Is, The Place He Chose!**

"I WANT TO BE THERE!!!!"

GOSPEL TABERNACLE TOUR 2016.....*Continued from Page 2*

Also, each and every year, we planted trees per requests made from Church members and the family at home. It is an honor to have a tree planted in your name in Jerusalem. In 2008, we began going to Israel in the winter. December first to March of the following year. Services were held at the Church apartment each Saturday night and food was served afterwards.

People came representing a lot of countries, England, Poland, Germany, Austria, Holland, Africa, U.S.A. In the time allowed us, we met many, many people from all over the world and some of them had the Restoration Message as we do. This was a true blessing to us. Musicians came and joined in the band. We usually had an accordion, piano, sax, guitar and cornet. Neighbors stood in the doorways in the building to listen to the music. It was called "The Lighthouse." The Church apartment had a name... Praise the Lord!

Each time we were in the vicinity of the Old City of Jerusalem, we would go to the Wailing Wall {Western Wall, the Kotel}. The men gathered on the left of the wall and the women on the right side. Slips of paper are put into the crevices of the wall. They are prayers for loved ones, countries, states, and leaders. Prayers are said and chapters of scriptures are read. When leaving the Wall, you do not turn your back on the wall; you back away up the hill and then turn yourself around to leave. It is a custom taught me by a Jewish lady there. While in the Old City, we visited the Via Del Arosa; the path taken by Jesus to Calvary. Next to the old City is the Garden Tomb and burial site of Jesus, who resurrected on the 3rd day. Golgotha, the place of the cross of Jesus is also in this area on a hillside. We visited the Upper Room many times and prayed there. We began our trips overseas in the spring and ended them later saying our Fond Farewell to the Holy City for the 13 most wonderful years of our lives.

We have listed the highlights of our trips to Jerusalem. If you really want Israel and Jerusalem in your heart... save and go there to see for yourself. Would we avail ourselves again? In a heartbeat. There is no safer place on earth today than Jerusalem, the City of our God. Where Could We Go?Send Us.!

**A REPORT BY BROTHER MELVIN
& SISTER EARLENE PARKER**

We were so thankful for the opportunity to spend a total of about a year in the land of Israel. Our understanding of the Bible took on a new perception, for instance. When the devil offered Jesus the world, I thought, "What did he offer Him, a bunch of tents?" On our first trip to Israel, we had the opportunity to visit Zaphora, six miles north of Nazareth. One of Herod's three sons built the small city in the time of Christ. The

City had ten miles of aqueducts (small water passages), some the size of baseballs, the palace was the size of a basketball, these flowed through the houses. They had rock wedges to shut off the water to the whole town, as well as the houses. With this water system, they had about a twenty thousand gallon water reserve tank made out of rock in the ground. But in the palace, on the living room floor was a picture of a woman (mosaic) about 10 feet by 15 feet. She had red hair, earrings and blue eyes. This picture was not painted but was made with little rocks one-quarter inch square. The eight-inch rock that was natural in color. I never had seen such quality workmanship in all my life. There were many such things that we saw. Jesus turned down many things that were wonderful.

We always learn so many things about humanity as one has the opportunity to meet people from every corner of the globe. It certainly is the hub of religion of all kinds. As we looked at man from almost everywhere in the world; the Jews have this problem, the Muslims have this problem, the Catholics have this problem, and everyone else has this problem. I guess we keep expecting to see someone who is above this but we have not found anyone yet. But someone is going to live above it, so we might as well step to the plate through and by Jesus Christ. Jesus told His disciples to be of good cheer, I have overcome the world. As your faith is, so be it unto you and people have different levels of faith when it comes to overcoming this carnal mind of thoughts. In Israel, we see many religions and most of these people have a little more hunger than most religious people, spending their time and money to visit the place where their Bible was written. We have met many hungry people who have a lot of flesh hanging around, and believe about anything but if God can save me, He sure can save them. So, I am more worried about myself and my lust and pride than theirs.

A few years ago, the Lord gave me a revelation, as I was worrying about one of my ministry brothers whom I didn't think was doing right. I said, "Lord, that isn't anything but the mystery of iniquity." He said, "That's right, now who doesn't have some of it?" I repented, saying "Oh, God help us," and I've been praying for "us" ever since.

As God makes a call, "Come out of her, my people," many people will not be made partakers of Babylon's judgment, for there are those who love Him and are looking for more than they have now. As Israel faced their judgment in 70 A.D., the Gentiles are about to face their judgment (Revelation 18) as God turns back to the Jews for a short period of time. I am not wanting to join the lukewarm, giving place to the Devil, but I want to join the Lord in overcoming this flesh and please Him in all things. ☆

*“HE HATH REMEMBERED HIS MERCY AND HIS TRUTH TOWARD THE HOUSE OF ISRAEL:
ALL THE ENDS OF THE EARTH HAVE SEEN THE SALVATION OF OUR GOD.”*

Psalm 98:3

SHLOMO HIZAK

**Dear Friends,
Shalom and blessings to
you from Jerusalem!**

Throughout the entire history of the Jewish People, from the time of the Patriarchs to our days, the story of the Binding of Isaac is still an exciting story that we the Jews relate to everyday in our morning

prayers. We read in Genesis 22, concerning the binding of Isaac.

(Genesis 27:3 “And Isaac trembled very exceedingly and said, Who? Where is he that hath taken venison, and brought it to me, and I have eaten of all before thou camest, and have blessed him? Yea, and he shall be blessed.” (Genesis 27:33)

The trembling of Isaac was clear and understandable as he was bound on the altar. He was, after all, prepared to be sacrificed. Years later, was it the same trembling he had when it was clear to him that he had blessed Jacob instead of Esau. What had caused Isaac, our Patriarch, to this exceedingly trembling? When Isaac heard Esau cry bitterly twice with a great and bitter cry, the trembling of Isaac was exceedingly great when it was clear to him that he had blessed Jacob in his place. Isaac suspected that he had mistakenly transgressed the divine ruling in blessing the younger before the older, he therefore trembled that the sin of Israel would be great during all of its trials throughout history until our own days.

God helped him to believe and trust that He would watch over us. And this is what our nation has experienced for many centuries. The light has come and we have returned to Israel. Now is the time that the nation has returned to the Land – a fulfillment of prophecy.

FIRE OVER THE LAND

I was watching the news of what was happening in our country. All this had happened during my 8th visit to China. I love the people from this great nation, but I was far away from my country that I love. My heart was in Jerusalem, but I was in the Far East, in China, and I was longing for Zion. Hundreds of houses were burned and thousands of trees in Israel, but if God is with us, who can stand against us? It is our country, the country He has promised to us.

We are most thankful that He made it possible that we live in this hour. We are the great generation to see with our own eyes of what the Prophets spoke – His eternal promises to our people.

I was comforted because I believe that we will overcome. We have returned to our country with hope and faith – we will not give up the vision for Zion – who are standing with Israel, supporting our nation. They are as watchmen guarding day and night around the walls of the cities of Israel.

“I have set watchmen upon thy walls, O Jerusalem, which shall never hold their peace day nor night: ye that make mention of the Lord, keep not silence.” (Isaiah 62:6)

Thank you for all of your support. I have been encouraged with two friends who have sent special support to our Center to help the families who have lost their homes. I am thankful that you are chosen to be a blessing to the Land, the People and to the Seed of Abraham. May we have a blessed New Year. Looking forward to fellowship with you again.

*Yours for Zion’s sake,
Shlomo Hizak*

**THE NEW DAWKINS MEMORIAL
NOW IN PHOENIX, ARIZONA**

NEWS FROM ISRAEL

Dear Friends:

Shalom and Happy New Year, starting with many blessings.

There was not much going on over here except the conflict with the U.S. decisions that have been made by President Obama and John Kerry. The Jewish people are very upset but they are holding steady, waiting to see what the new government does.

BRO. HARLEY HENSON

When Kerry said that the Western Wall was occupied land, many Israelis made the statement that the Bible is the right way to decide who owns the land. The Israeli Government is saying that this land was given to the Jewish people 3,500 years ago. Just read the Bible for accurate history of who owns it.

It looks like the Jews are looking to the Bible for their answers on issues. That is the only way that they will get peace. They are sure not going to find it in the world governments. They want to destroy the Jew instead of building them up. I think that this is what God has been trying to get them to understand. When everything else fails, then try God. He has the answer to all of their problems.

We have felt that when we get it right, then we can help the Jews to know how to do it. They say to the church that they must bring them back. Then He will cleanse them. Our job is to comfort them. Just support the Jewish state and the people. So many Gentiles are running all over the country blessing each other and doing nothing for the Jewish people. Why would I want to come to Israel to bless the Gentiles? I would just stay among the Gentiles and bless them where they are.

So, I'm happy to start another new year in Jerusalem. My desire is to find a way to work for God in bringing life to the Jewish world. She belongs to the Lord; not to a bunch of Gentiles who don't know who they are, let alone who Israel is. Israel is the one that the Lord is coming back to, not the Church. He is bringing the Church with him. The Church is His Body.

When I read the New Testament, I find that Jesus and the Apostles, including Paul, only established the Church, not the Restoration of Israel. That is what the Lord is doing now. He is bringing the Jew back to the Land of Israel to restore them.

There was sadness in Jerusalem this morning because some terrorists attacked a truck. They drove into a crowded area and hit several people. The hospital is preparing for several to come. The terrorists shot in a bus load of IDF soldiers. It all happened just minutes apart.

These are terrorists who live in Israel and work for companies owned by Israelis. Thank the Lord, Israel is always on the alert and is able to deal with them. Sometimes, they even use Israeli equipment, which they are being paid to operate, to attack the Israelis.

The terrorists settled down when the UN voted to establish the Palestinian State. But since the US government has voted against it, now they are stirred up again. They are hearing what President Trump is saying. They didn't have peace when President Obama and his government were in place.

It is a time to pray for America and Israel. There is trouble on every hand. But... we still know that God is in control and He will get what He wants out of it. I just want to be working in His will.

This week has been a good week in Jerusalem! We've had some rain, which is always needed. We thank the Lord for the rain.

The UN deal didn't help Israel or America. We are hopeful that it will get straightened out and Israel can have some peace. It helps that the incoming President was so vocal against what the last president did.

A big event happened at the ICEJ this week. It was slow going at the time at the ICEJ because so many of the staff had gone home for the holidays. Not many were still at their office. Then they got a shock when they were told that the Prime Minister of Israel was coming in to wish them a Merry Christmas and a Happy New Year. So things picked up and there was a feeling of security. He came into the office and shook hands with the staff and greeted them. Then, he went back outside and gave a great speech in the courtyard.

When I saw this, my thoughts went to Isaiah 60 and the Lord gave me a message of the Light that will shine on them. This is our day, the two days. As the Prophet Joel said, *"In the last days I will pour out my spirit on all flesh."*

When Jesus came 2,000 years ago, His light shined on Israel, but they rejected Him. He blinded them in part. Darkness came on the Jewish world and He went to the Gentiles to take out a people for His name. Then it says: *"He will return and build the House of David that has fallen down."* Isaiah says that they will come from the countries where they have been scattered. That is where we are living today. He is bringing them home to restore them.

When I see the Prime Minister go to the Christians and greet them and welcome Christians to the land of Israel, I feel God is making one of the greatest moves that He has ever made in the earth. I am very excited about what is happening here. So, please pray for Israel and let God know you stand with her in her hour of trouble.

**God be with you all in the Name of the Lord,
Brother Harley from Jerusalem**

My Personal Note.....

Dear Friends and Family of God:

SISTER RUTH MOORE

I feel that I owe each of you an apology for being so long in producing this issue. For at least two years I have suffered

Macular Degeneration and was treated for that almost one year and then was able to get cataract surgery in both eyes, just finished this month and, Thank the Lord, I am now beginning to read. I am sure that without those dear helpers who proofread my last few issues, it would have been too bad to use.

Sister Avialee Burns, Sister Ann Riggins, Sister Georgia Colflesh, Sister Dawn Jennings and Sister Mary Nichols, have had to carry the weight of these papers. I'm always very thankful for Brother Ryan Henson who makes sure that everything is correct. And of course, our Pastor, Brother Brad Ratliff, has been a great help.

Anyway, it was so helpful to have the people who were on the 2016 Tour to Israel, as well as some others who have spent much time there and were happy to talk of their visit in Israel. Most of us have learned to love the land and the people of Israel and they are happy to share their experiences with us.

I made my first visit to Israel in 1962 and over the years, was blessed to tour there and spend time of more than just a few days' visits. Each time I went, I came home with more love and admiration for this precious country and its people,

There are things that we miss in a short journey but it is always a blessing to walk in the steps of Jesus and the disciples, as well as the mighty prophets of old.

Reading each book of the Bible, I reminisce of these particular experiences. We are reassured that we need both the touch and reading the word, which gives us strength to face the world with victory in our souls.

What this land has experienced in its almost 69 years of existence is like reading the prophecies again. There are nations who love Israel because they have sent Israelis into their countries who have helped them in medical care of their citizens, their ability to grow food to feed and clothe them.

There are prophetic quotations in the Old and New Testament saying, *“They shall be My people and I will be their God.”* It only certifies to me that this is the Will of the Mighty God of Israel and He will perform His Word at His own set time. We can stand on His promises. Ezekiel 20:40-42 says:

40 For in mine holy mountain, in the mountain of the height of Israel, saith the Lord God, there shall all the house of Israel, all of them in the land, serve me: there will I accept them, and there will I require your offerings, and the first fruits of your oblations, with all your holy things.

41 I will accept you with your sweet savour, when I bring you out from the people and gather you out of the countries wherein ye have been scattered; and I will be sanctified in you before the heathen.

Also, in Zechariah 7:7-8:

7 Thus saith the Lord of hosts; Behold, I will save my people from the east country, and from the west country:

8 And I will bring them, and they shall dwell in the midst of Jerusalem: and they shall be my people, and I will be their God, in truth and in righteousness.

God has now brought them home and they have built a nation that is strong and powerful in the shortest amount of years any nation has ever been. ☆
