

# THE 7 CHURCHES OF ASIA

The four horses typify those John saw in Rev. 6 and these are no more than the same "4 Beasts" seen in the midst of the throne in Rev. 4:6-7. They come from the four corners of the earth and are four of the Seven Churches of Asia. The riders are four of the seven angels (New Testament Ministers) in Rev. 1:20.

## AMERICA

The First horse, white and also being the First beast was *like* a lion in that he was courageous and unfearing, and has what it will take to go forth conquering and to conquer. This is the First Church John writes to in Rev. 2:1 and is the Church of Ephesus (America). The Rider had a Bow and Arrow, showing that he is spearheading the Move of God. He is the only one of the four wearing the crown picturing his authority and leadership as he goes forth on the white horse (Pure White Restored Church) in America.

## SCANDINAVIA

The second horse, being red, is the Church among the peoples of the Scandinavian countries (Norway, Denmark, Sweden, Finland and Iceland) and was *like* a calf (a Sacrificial animal). This is portrayed as a colt, which is the second Beast. Power and a great sword, which is the Word of God, is given this ministry to take peace (the flying dove) from the earth.

## AFRICA

The third horse, black, as the overcoming saints that come out of Africa, being the third Beast, had the face of a man shown here wearing a beard. In the hand of this angel is a pair of balances which signifies enough of the Word of God to make overcomers. Tradition and error are mixed on the balances.

## INDIA

The fourth horse, being pale as are the people in most Asiatic countries, is shown sailing through the air because the fourth Beast was *like* a flying eagle. The name of this rider is Death, meaning that the message they will preach will bring death to those who don't heed, and this death will come in the form of all manner of destruction and hellish conditions that will follow.

## THE HANDS

The Four Hands shown are the Four Angels (Angelic beings) holding back the Four Winds . . . social, political, religious and commercial, from the Four Corners of the earth. Note: ALL four winds will come from ALL four corners and not just one from each corner.

## JERUSALEM

Geographically located in the center of the earth is the tiny State of Israel and the CITY of JERUSALEM. It's here that the Lord will set up His Throne for 1,000 years, Rev. 20:6-7, and where He'll reign over the earth with the overcomers out of the White, Red, Black and Pale Centers along with the other three Churches of Asia.

## ISLE OF PATMOS

The red circle to the left of Jerusalem is the Isle of Patmos from whence came this Revelation. So it was that from this Isle, John saw another Angel (a Ministry of God) ascending from the East . . . the Church at Jerusalem, with the Seal of the Living God. Rev. 7:2.

The remaining three red circles are locations where Peace Publishers and Company is registered, and where an active work is being carried on. These are the United States of America; Jamaica, West Indies; Nigeria, Africa.

## THE GENTILE IMAGE & THE 4th GENTILE HOUR

This is the interpretation of King Nebuchadnezzar's dream given him by the Prophet Daniel in Daniel 2:31. Note: From the head of Gold (Babylon) to the ankles is 2520 years and from there begins the Four Prophetic Hours starting with 1914. The enlarged foot is that of the Image showing how the clay is in four separate sections typifying the last Four Gentile Hours.
